BAD TO THE BONE (BONNIE PARKER, PI BOOK 3) BY MICHAEL PRESCOTT PDF

Small-town private eye and part-time assassin Bonnie Parker is back, in another high-voltage adventure set on the Jersey Shore.

Bonnie thought she'd put her troubles behind her when she killed mob boss Frank Lazzaro and got away clean. But nothing's that easy. Russian mafia kingpin Anton Streinikov has taken a personal interest in the killing — and in Bonnie herself. He wants her delivered to his greenhouse, where very bad things happen.

It doesn't help that Bonnie's latest client has set the cops on her tail, giving the local chief of police his best chance to put her behind bars. All in all, she's had better weekends.

As night falls, she finds herself hunted by bad guys and cops, outmaneuvered, outgunned, and in the fight of her life. Luckily, only the good die young—and Bonnie is bad to the bone.

BAD TO THE BONE is the latest thriller from New York Times and USA Today bestseller Michael Prescott, author of COLD AROUND THE HEART, BLOOD IN THE WATER, and FINAL SINS. With over three million copies sold in both print and digital editions, Prescott is one of today's leading writers of crime fiction and psychological suspense.

Michael Prescott and Bonnie Parker are Back!

By William P. Dillon

Bonnie Parker, part-time P.I. and assassin, is back and she is being pursued by the Russian mob. After eliminating Frank Lazzaro in her last adventure, she thought she had gotten away with it. But, she finds that one of her own clients has ratted her out. Rather than run, Bonnie decides to take the fight to the Russians.

What follows is a typical Michael Prescott read. It is full of surprises and packs a punch. Michael Prescott is at the top of his game with this adventure. You can tell that he enjoys writing this character. This third adventure is just as exciting and suspenseful as the first two. Count me in for more Bonnie Parker tales. I can't wait.

When I see a new Michael Prescott novel, I click on "Purchase" by muscle memory. It doesn't matter what the book is about. I am looking forward to reading it. I have been a fan since his Douglas Borton and Brian Harper days. He has never let me down and I believe he is one of the sure things in suspense writing. Get cracking Mr. Prescott, I am anxiously waiting for your next book! Well done!

Bonnie Returns With Vengeance

By Boston Bob

"Bad to the Bone" is the third episode of Michael Prescott's saga following Private Eye and part-time hit-woman, Bonnie Parker. Like her namesake, Bonnie is one kick ass and take no names kind of girl. She's definitely not the girl you take home to visit Mom.

In "Bad to the Bone", Bonnie takes on the Russian mob and needless to say, this is one exciting and fast moving book that I couldn't put down.

This is a standalone book but if this is your first Bonnie Parker book, please read the previous two. I also highly recommend any of Michael's spine thrilling, nerve-wracking and exhilarating novels. I enjoyed every one of them.

Good reading,

Boston Bob

Great book cover.

By Amazon Customer

The story went all over the place, and I quit reading when she hacked a door lock in a hotel with a device in the power port of the lock. That is not possible! I really don't like stories that use hacking as a magical wand. Be creative, and get her in there by some other means, like wit.
