Close to a classic

By aries investigations inc. - rfd312

If you are a Bill Tilghman fan, you will appreciate this book of a true law man. It does not have the Hollyweird splash but does provide a " True Grit" slant to it. I have found little in this type of book, but have enjoyed it and passed it along to another ' BT ' fan.

A few mistakes

By JDB

Well, since I am reading the book to learn about Bill Tilghman, I am not an expert, but I do know that Ingalls is not in Kansas but in Oklahoma near Stillwater. Update: Since someone misunderstood my first post and assumed that I was making an assumption, I am editing it. The shoot-out with the Doolin gang attributed to Ingalls is described as being in Ingalls, Kansas (pg 119-121). However, it actually occurred in Ingalls, Oklahoma Territory. This book was a good read none-the-less. It is a good starting point if one is doing research on Bill Tilghman or even other aspects of Oklahoma history such as some of the events surrounding Governor J.B.A. Robertson and the KKK. Bill Tilghman's story weaves into both pre-statehood and early statehood history and this book tells his story as an important character in that history.
