Bound To Please By Kimberly Gardner. In undertaking this life, lots of people always aim to do and obtain the ideal. New understanding, experience, session, as well as everything that could boost the life will be done. However, several people sometimes feel confused to obtain those points. Really feeling the limited of experience and also resources to be much better is one of the does not have to own. However, there is an extremely straightforward thing that could be done. This is exactly what your instructor always manoeuvres you to do this one. Yeah, reading is the solution. Reading a publication as this *Bound To Please By Kimberly Gardner* and also various other recommendations can enhance your life high quality. How can it be?

Just how can? Do you assume that you do not require enough time to choose shopping e-book *Bound To Please By Kimberly Gardner* Never ever mind! Just rest on your seat. Open your gadget or computer and be on-line. You can open or go to the web link download that we provided to obtain this *Bound To Please By Kimberly Gardner* By in this manner, you could obtain the on-line e-book *Bound To Please By Kimberly Gardner* Checking out guide *Bound To Please By Kimberly Gardner* by on-line could be truly done effortlessly by waiting in your computer system and kitchen appliance. So, you could proceed every time you have spare time.

Reviewing the publication *Bound To Please By Kimberly Gardner* by online could be likewise done easily every where you are. It appears that hesitating the bus on the shelter, waiting the listing for queue, or other locations feasible. This [Bound To Please By Kimberly Gardner](#) could accompany you in that time. It will not make you really feel bored. Besides, in this manner will likewise enhance your life top quality.

BOUND TO PLEASE BY KIMBERLY GARDNER PDF

Brought together for pleasure, bound together by love. Jason doesn't do monogamy, and as a much sought-after Dom he doesn't have to. But when he gets the chance to play with Benny, his sweet young assistant who wants only to please him, Jason holds back. Benny's no sub, but for a chance to be with the sexy Dom he's sure he can change. Except he's only fooling himself, and deep down he knows it. Enter Rain, a sexy badboy who's got a taste for the lash and pretty young things, like Benny. What's a man to do when the two men he lusts after are determined that even a hook-up is not in the cards? Why, orchestrate one single night of pleasure, of course. But when the whip comes down, and one night isn't enough, it's love, not leather, that's bound to please.

Sweet story about 3 guys who are all necessary to the relationship

By Charly T. Anchor

Warning: This review might contain what some people consider SPOILERS.

Rating: 7/10

PROS:

- The 3 main characters complement each other well. This is a threesome relationship in which I really feel that each of the guys is necessary--there aren't two main guys with one who's a third wheel emotionally. Naturally, each of them FEELS at one point or another as though he's a third wheel, but those feelings simply lead to a healthy amount of angst (without going overboard, in my opinion).
- Most of the sex scenes are well done, and some of them are pretty dang hot.
- There's a decent amount of drama in the story--miscommunication, struggles to understand other characters and/or oneself, ugly experiences from the past, etc.--but for whatever reason, I didn't feel while reading the book that there was TOO much drama. I guess it's not terribly realistic, but it didn't strike me as melodramatic, either.
- Gardner has a writing style that flows well and is easy to read quickly. I breezed through this book, not

because it's a heart-pounding page-turner all the way through, but because the writing is well-paced and for the most part, clean.

CONS:

- The relationships moved maybe a little bit too fast for me. For example, Rain refers to Jason as "Master" pretty much right from the start, before they've established much of an emotional connection, and it isn't much later before Rain says that he wants to devote himself to Jason as his slave.
- I found the ending just a little disappointing. I liked the way the story ends with the three main guys, but there's no final sex scene once they've reconciled and we see them all happy and living together (there's no sex scene for the last 90 pages of the book, in fact). In addition, several secondary characters' stories are left unresolved. Maybe Gardner's planning on sequels, though.
- This has little to do with the story itself, but it should be said: the blurb on the back cover of the book doesn't capture the true essence of the plot--not to mention the fact that it doesn't even MENTION Rain--and the author's last name is misspelled on the book's spine. As typos go, that one's bad.

Overall comments: In case you're thinking that this book is about a couple after reading the publisher's blurb...it's not. This book is about a threesome. The BDSM element is not as heavy or as pervasive as I thought it would be (not really a complaint; just a fact). Still, I thought it was an enjoyable read, and Gardner has an easy-flowing writing style that's not amazing but is conducive to fast reading.

Pretty good

By Beach Bum

SPOILERS

This is more of a 3.5 star book for me. I loved Jason and Benny from Phoenix Rising. So although I admit to being a little hesitant with threesome books, I wanted to read this for the characters. I liked all three guys and I agree with the reviewer who said that Benny and Rain (the "subs") overshadowed Jason much of the time. My only complaint really brings me back to why I am hesitant with threesome books. I hate it when one character seems a little left out. I know it is really difficult for an even threeway as there will always be give and take between the participants, but for me to truly enjoy it, I have to really see that it will work to everyone's benefit in the long run. This book starts with Jason and Benny sort of in love but unable to be together because Jason needs to dom and Benny is just not a sub. Enter Rain, Jason's perfect sub who enables all three characters to be together, however, at the end of the book Benny seems kind of third wheel to me. I mean think about it, if Jason is Rain's perfect dom and Rain is Jason's perfect sub, then where does Benny come in? It seems like he is someone they love and care for, but not really crucial to the relationship. I just don't see Benny being there in the long term. I may be wrong about this but does Jason even ever tell Benny he loves him? I wouldn't care, but he tells Rain he loves him several times! He just seems kind of more about Rain in the end. Maybe there will be a spin off with someone perfect just for Benny. Loved seeing Adam and Jimmy!

Bound to Please by Kimberly Gardner

By Elisa

Bound to Please explains perfectly one of the reasons why I understand the existence of a ménages a trois, while I usually am a monogamous supporter.

Benny is in love with his boss Jason, a Dom and the owner of a BDSM private club (he is one of the character in Phoenix Rising, the previous book by Kimberly Gardner set in the same community). With his body and heart Benny is willing to give anything to Jason, but with his mind he is scared by all the different

layers a BDSM relationship can have. Jason knows that, if he pushes the boy, Benny would probably agree to a Master / slave relationship, but deep inside it's not what he wants.

Enter Rain, former porn actor and now fetish model; he is one of the models Jason is using for his exhibition, and he is more than willing to be the guinea pig for the most extreme of Jason's pictorial fantasies. Rain is a happy to go guy, sex is something good and full of joy, and he lives it like that, willing to share his body with a freedom that Benny envies. But Rain is not selfish, obviously, and he finds in both Jason than Benny something he needs: Jason is the authoritative figure he needs to have an appearance of stability in his life, and Benny is the buddy friend he wants to not forget that, indeed, life is a good thing.

There is a complex work of balance in the trio: Jason needs both Rain than Benny, since the two together fulfil all his desires, his sweet and his hard side; Rain needs both Jason than Benny; and Benny needs both Rain than Jason, Rain to help him understand that there is not to be feared in the type of relationship the darker side of Jason needs. No one of them is complete without both of his lovers, missing one of them would be the end of the whole relationship.

I like all the characters, but for sure the boys, Benny and Rain, are the best; Jason is good but he fades on the background when the boys are around, something that is strange considering he is the Dom. Benny and Rain, purple and blue hair, are like boys at play, I have always the feeling to hear someone laughing when they are in a room. Jason is not their puppeteer, he is the one who is fallen in their net; I have this image of Benny and Rain building a net with colourful rope, and Jason totally caught in the middle.

There is a lot of sex, some of it also quite extreme, but above all I have this feeling of esthetical beauty: each scene is like a carefully planned painting, with full and deep colour, it's a very visual feeling. On this matter, at the beginning the cover led me in the wrong direction: it gave me the idea of a futuristic / fantasy romance, and so I didn't realize that indeed, this is a totally contemporary novel, and moreover, the sequel of Phoenix Rising.
