Extra Features make this a winner

By Odat retired

We got this book in the early 90s...it still works! And guess what, there are even BONUS features! If you press all of the buttons at once (ex, accidentally stepping on the book...LOL), you get a whole myriad of other songs played, such as Yankee Doodle, Kookaburra Song, Boom Boom Diddum Daddum Waddum Chew, etc...it's hilarious!

Love this Book

By M. Poppe

My Kids LOVE this book. It plays traditional Christmas songs with NO BRANDING! The illustrations are charming and although the music is a tad "tinny" it does not get on your nerves.

Fun Christmas Book!!!

By Julie A. Ball

This is such a cute book and the fact that I don't really know the majority of the Christmas songs here is fine too. I had to get new batteries for it when it came and was nervous at first because the old batteries had corroded inside the battery compartment. Took a little work to clean it up but thankfully the new button cell batteries work and the music sounds great! Fun way for kids to learn to sing Christmas songs!
