CHURCH GIRL BY MAHAUGHANI FIYAH PDF

When twenty six year old La'Keisha Martin had to choose between living a boring, fake Christian existence while still sinning in secret like most of the "Saints" she knew, or doing it big, being a Boss Chick, and getting sexed like there was no tomorrow, it was very easy for her to choose the latter.

But when she slept with a few husbands too many, broke up a few homes too many and pissed off one wife too many, the woman who had been every man's erotic fantasy and every woman's worst nightmare was instantly hit with the realization that hell really did have no fury like a woman scorned.

Suddenly she found herself wishing that the God she had left behind would step in and save her from having to reap the sinful seeds she had sown, and keep her from losing her soul when she faced off with a mad wife who was two times more evil and ten times more deadly than the devil himself!

La'Bella Donnas

By Book Diva

I am definitely a book diva and know I good book after the first couple of pages. The four girls: La'Keisha, La'Tasha, La'Tavia & La'Cienega are the best of friends but loved to live on the edge. These women had status, money, and men...married men that is. Yes, HOMEWRECKERS!La'Tavia was ready for a change but had issues of her past to deal with before she could move forward. I loved all the charcters in this novel, but my favorite was La'Keisha who was a quadruple threat yet independent, smart, and of course beautiful. The La'Bella Donnas enjoyed their lifestyle until tragedy strikes in each of their lives. This is my first time reading any works by this author who is dangerous with a pen and pad. This author has such a vivid imagination that you are immediately drawn into her characters. I could not and did not sit this book down until I read the final page. I was uncertain as to how this novel was going to end, but must admit that I was shocked yet pleased at the ending. The La'Bella Donnas would like for you to read their story.

From the moment I opened this book I couldn't put it down. It was so good that I found myself up at three in the morning reading just to find out what would come next. This is just what people today need to read. It's not just a story, it's a lesson infused in the tale in such a way that not only will you learn from what you're reading but you'll appreciate it as well. From beginning to end this book is outstanding and I'd recommend it to everyone.
