Wild Magic

Kristyl Barnette's life was finally coming together. In Clearwater, she found the reason why she could hear people's thoughts and make objects move. She found friends to stand by her. And, in Owen Marsh, she even found someone she could love.

But one spell changed everything.

Thrust into an alternate reality, Kristyl must navigate a new past and different relationships, all while keeping the secret only she and Crystal Jamison know: In their attempt to find a powerful stone for the circle of witches to anchor to, they altered the present.

Owen barely looks at her. She's forced to act like she's friends with the circle and to pretend she's been dating Fox Holloway for years. And to make matters worse, the quartz stone she retrieved from the past might not be the source of pure energy the circle hoped for. There's a darkness to it Kristyl doesn't trust.

Now people are dying mysteriously, and Kristyl must form new alliances with old friends in order to prevent more deaths--and to save the circle from destruction.

Power comes at a price. Will Kristyl be able to pay it before it's too late?

Circle Magic:

It's only a matter of time before everything Krissa Barnette knows and loves is destroyed.

Seth Whitacre, a centuries-old psychic witch, is determined to exact his revenge on everyone who stands between him and his ultimate goal: taking over the town of Clearwater and turning it into a stronghold for people with abilities. People like him. When Krissa thwarted his attempt to regain his full strength, she became his number one enemy.

Krissa's father, absent for five years, returns to reveal the reason he left was to learn how to defeat Seth. His mysterious companion, Anya, possesses a wealth of knowledge about the fight but conceals many secrets.

But Krissa has secrets, too, including the reason why she and Owen Marsh have a connection. And it's difficult to keep the truth from Fox Holloway now that the three of them are linked by a binding ritual.

It's a race against time to enact the spell that will rid the world of Seth once and for all, but with threats

coming from all angles, will Krissa and her friends succeed?

I got the first book free, and it left me wanting more. I bought this bundle of books 2 and 3 and was not disappointed. I had to go and purchase book 4....and that is something that I rarely do.
