Well, as reviewing a publication End Of Watch: A Novel By Stephen King, often, if you should check out something for your brand-new tasks, you will certainly really feel so dizzy of it. Even it is a book like End Of Watch: A Novel By Stephen King; it will make you feel so bad.

Why must be publication *End Of Watch: A Novel By Stephen King* Publication is among the simple sources to search for. By getting the writer and also style to get, you could find a lot of titles that supply their information to acquire. As this End Of Watch: A Novel By Stephen King, the motivating book End Of Watch: A Novel By Stephen King will provide you just what you should cover the task due date. As well as why should be in this web site? We will certainly ask first, have you a lot more times to go with shopping guides and search for the referred book End Of Watch: A Novel By Stephen King in book establishment? Lots of people may not have sufficient time to discover it.

For this reason, this site offers for you to cover your issue. We show you some referred books End Of Watch: A Novel By Stephen King in all types and also themes. From typical author to the renowned one, they are all covered to give in this site. This End Of Watch: A Novel By Stephen King is you're searched for publication; you just need to go to the web link web page to receive this web site then choose downloading and install. It will certainly not take many times to obtain one publication [End Of Watch: A Novel By Stephen King](#) It will certainly depend upon your net connection. Simply acquisition as well as download and install the soft file of this book End Of Watch: A Novel By Stephen King

END OF WATCH: A NOVEL BY STEPHEN KING PDF

The spectacular finale to the New York Times bestselling trilogy that began with *Mr. Mercedes* (winner of the Edgar Award) and *Finders Keepers*—In *End of Watch*, the diabolical “Mercedes Killer” drives his enemies to suicide, and if Bill Hodges and Holly Gibney don’t figure out a way to stop him, they’ll be victims themselves.

In Room 217 of the Lakes Region Traumatic Brain Injury Clinic, something has awakened. Something evil. Brady Hartsfield, perpetrator of the Mercedes Massacre, where eight people were killed and many more were badly injured, has been in the clinic for five years, in a vegetative state. According to his doctors, anything approaching a complete recovery is unlikely. But behind the drool and stare, Brady is awake, and in possession of deadly new powers that allow him to wreak unimaginable havoc without ever leaving his hospital room.

Retired police detective Bill Hodges, the unlikely hero of *Mr. Mercedes* and *Finders Keepers*, now runs an investigation agency with his partner, Holly Gibney—the woman who delivered the blow to Hartsfield’s head that put him on the brain injury ward. When Bill and Holly are called to a suicide scene with ties to the Mercedes Massacre, they find themselves pulled into their most dangerous case yet, one that will put their lives at risk, as well as those of Bill’s heroic young friend Jerome Robinson and his teenage sister, Barbara. Brady Hartsfield is back, and planning revenge not just on Hodges and his friends, but on an entire city.

In *End of Watch*, Stephen King brings the Hodges trilogy to a sublimely terrifying conclusion, combining the detective fiction of *Mr. Mercedes* and *Finders Keepers* with the heart-pounding, supernatural suspense that has been his bestselling trademark. The result is an unnerving look at human vulnerability and chilling suspense. No one does it better than King.

Best of the trilogy

By Rhouse

Interesting series! Neither *Mr. Mercedes* nor *Finders Keepers* depended on Stephen King's talent for the supernatural...but both were terrifically suspenseful.

In "End of Watch", King amped up the suspense--palpable throughout the novel--and threw in the stuff that made him famous...eerie supernatural occurrences, made utterly believable by his masterful writing.

But, for me, the real treasures in End of Watch are King's characters. Bill, Jerome and Holly are some of the most realistic and endearing characters King has written, and during the course of the trilogy, you can feel them develop & grow. Holly, especially, is most memorable and wonderfully unique. As for Brady-- the villain we loved to hate in Mr. Mercedes? No letdown there, either!

While "Finders Keepers" wasn't my favorite King novel, I thought "End of Watch" was the perfect conclusion to the Bill Hodges Trilogy.

By the way, while the three novels are best read as a trilogy, King has included enough background in each (without being horribly repetitive) that they could, I suppose, be read as stand alone novels...but you'd be missing out.

Great Conclusion to the Trilogy

By Rex

I was anxiously awaiting the conclusion to the Bill Hodges Trilogy from Stephen King after blasting through the first two books in the series. The way the second book ended I was expecting something completely different from what King delivered in this conclusion. This is definitely a departure from the rather gritty, real-world detective fiction that the previous two novels presented. Instead King re-entered some of the realms he presented in earlier works like Carrie and the Green Mile. Much more supernatural than parts one and two, but totally engrossing and exciting. The novel is long, as are most King books of late, but it's a rather quick read - hard to put down - just one more chapter. Obviously it won't make much sense if you haven't read the first two books even though King does a good job of refreshing your memory of what went on before. I enjoyed it thoroughly.

My favorite books are when he spends the time to develop ...

By John the scholar

I have read many Stephen King books. My favorite books are when he spends the time to develop rich characters with a supernatural edge that can border on reality. I believe he committed himself to a trilogy and struggled to finish it with this book.

I was disappointed in his use of telekinesis in the book which he has used in the past. I believe it was close to "jumping the shark" with Brady's third attempt at mass killings.

In the end, I read it to complete the trilogy. However, when I tell friends that King is a great writer with rich dialogue, character development and he goes way beyond horror, I would not recommend this trilogy or this book. He has done and can do much better.
