FROM FAILURE TO PROMISE: - "360 DEGREES" - BY DR. C. MOORER PDF

At a time when individuals need inspiration the most due to adversity, peer-pressure, and loss of direction, From Failure to Promise - 360 Degrees -- author Dr. Cleamon Moorer shares insights, experiences, and a miraculous story of how God can transform the real you into the ideal you. Dr. Moorer tells about his journey from being a college flunk-out to becoming an engineer and ultimately a university professor. He exposes the realities of how many of the downtrodden are pushed to the brink of either surrender to the power of God, or to a resistance and rejection of promise. Dr. Moorer takes readers on a faith journey from his adolescence in Detroit Public Schools to academic failure on the collegiate level and through other turbulent tracks on the way to becoming a university professor and dean. This story of one young man's journey will serve as a compass for those who are in pursuit of success. He shares relative scriptures, skills, and strategies pertinent to overcoming failure. It is an amazing story with an UNBELIEVABLE FINISH and a "call to action"!

A plea to those who are down to "Never give up" and "Never forget the importance of giving back"

By luberbomb

I am a 17 year old Senior in High School who read this book in one day - the week of midterms no less! I am inspired and motivated by Dr. Moorer and his story. Faith and determination are a must but a desire to continually be a better person is also the key to success.

The stories about growing up in Detroit and what good parents he had make you smile

By Marry Hudson

Genuine, inspirational and motivational. The stories about growing up in Detroit and what good parents he had make you smile. The sprinkling of scripture passages provides a great way to see the application of God's word in our lives. Anyone who has ever felt like giving up will be inspired to keep trying to attain their dream. An easy read that provides insight without being preachy. Good and fast read.

An Inspirational and/or Aspirational Accelerant

By Martin

Inspiration and/or aspirational accelerants may be found in the simplest of things. A lyric to a song, a

painting or even a scene in a movie may spark the next great mind. Encouragement is around us daily and I sometimes feel that supply exceeds demand. But after hearing about Dr. C. Moorers's story -- and after a careful google search -- I decided to purchase the novel. I was drawn immediately to the unabashed authenticity of his story.

Everytime failure appeared, miraculously and almost as if his story was scripted by Hollywood, success filled the space failure once lived. His story provides the exact steps taken, the slips made, the second guessing, the consistent belief in GOD and the unrelenting drive to blur the line between his dreams and his reality.

I wrote this review because honestly, it encouraged me to delete and/or unfriend Mr. Procrastination himself. Once again, inspiration and/or aspirational accelerants may be found in the simplest of things. Maybe yours will be found in a lyric to a song, a painting or a scene in a movie but if you read From Failure to Promise: 360 Degrees, it's a good chance it may be found within its 159 pages.
