## Features

- Used Book in Good Condition

## Most helpful customer reviews

0 of 0 people found the following review helpful.

Great overview, especially for the young reader

By Claude Buettner

I decided to give the book to my grand nephew rather than my brother-in-law who loves his Jeeps. The book is packed with facts and sidebars presented in a very modern format but lacks the historical depth that I was hoping for to thrill a knowledgeable Jeep follower.
