Most helpful customer reviews

4 of 4 people found the following review helpful.

We use it as a backup to public school but EVERYthing is there so it would work great for homeschooling too

By Kay Cee

Must have for parents who want to help their kids through the year. It's made a big difference. We use it as a backup to public school but EVERYthing is there so it would work great for homeschooling too. Answer keys for homework too.
