Beautiful Wonderful Profound

By Sherlock holmes

this has changed the way I see David and those who wrote the psalms- it is beautiful - I read it and say "that's what you were saying?!! you can tell how much david LOVED God and his relationship with him and he "saw" so much he was a man ahead of his time - I have htis and the version of Song of Solomon and I highly recommend it to those who are in a intimate journey with God- you will see how Loved you are and be clearer on Whose you are and how your love impacts God and the world..

SPEAKS TO THE HEART, NOT THE INTELLECT.

By G. Northington

There are many good translations of the Psalms, yet this one is special in so many ways. In this day in which we live, there are many voices designed by our enemy to drown out and minimize the voice of our God. However using an anointing given by the Holy Spirit, Brian has managed to transcribe from the Lord, words that bypass the intellect and speak directly to the heart.

Righteousness must come from an intimate relationship with God, and this translation is saturated with intimacy. It is like getting to know the one true love of your life. As you read these beautiful words, it almost seems like you are leaning forward, so as not to miss even one word that your lover has to say.

In these last days closeness with our Savior is so important, because to look upon him is to fall deeper in love. As you gaze upon him, like Pontius Pilate, you can truthfully say, I find no fault in him. As the words written in this book start to reveal even more of his character, it will clarify his beauty, and cause your love to build to such a point that everything within you starts to conform into his image in a supernatural effort to

please him.

As we become lost in his love, we are grafted into the true vine, and the overcoming desire to sin will never be the challenge that it use to be, because it is no longer who we are. Like Paul we will be able to say, for me live is Christ, and to die is gain. In closing I highly recommend this book as a step toward intimacy with the creator of the universe. Intimacy that will fill you with the Glory of God causing his light to radiate to a lost and dying world.
