Life is consistently developing and also you need some new publication Reign (Marko Delacroix #5) By Alaska Angelini to be reference always.

# REIGN (MARKO DELACROIX #5) BY ALASKA ANGELINI PDF

This is the conclusion of the Marko Delacroix series. Please read the first four books before this one. (Prey, Blood Bound, Lure, and Rule)

I finally thought things were falling into place. I have Tessa, we've found happiness, and our roles in our world are clear. Little do we know, everything is about to fall apart.

True rulers will rise, and others will fall.

War is taking its toll on our kind and no one is safe.

In a place where everyone wants to rule, few are willing to sacrifice themselves to prove it. With the betrayal we're all about to face, some of us may not have a choice.

WARNING-- This book contains very graphic violence, disturbing situations, and very strong language. Intended for mature audiences. \*\*May have triggers for some, but if you've made it this far in the series you should be okay...\*\*

4.5 stars - action packed ending to a great series

By Mady Rivas

This series got off to a slow start, but in hindsight, because book 1 in particular, and book 2 to a lesser extent, did the majority of the world building and character development, this book, and its predecessor, were able to bring this series to an almost five star conclusion. Over the course of the series, and most strongly in this book, the author credibly morphed Marko from a narcissist to an empathetic hero. Hunter went from a guy who could only see black and white to a guy who could see shades of gray. Tessa was the weakest character - weak to strong to weak to strong, buffeted about by the men who loved her to meet their own needs. The underlying plot was full of twists and turns, and felt really original (altho as caveat I don't read tons of PNR) making this a fast paced read. I could have lived without the epilogue - it would have been a courageous end without it - but I get why it ended the way it did.

What kept this from being a full five stars for me - mild spoiler - what happened with Tessa and Aetas near

the end didn't feel credible because she knew better - big discussion about the role of her crown earlier in this book - so it felt like the author just needed a way to bring this to a conclusion as opposed to a character staying in character. The only other issue I had was the extreme number of homonyms and other minor editing issues - so much so I was taken right out of the story on numerous occasions trying to figure out what the real communication was. It was a great read - and a great series - I highly recommend.

You got to love Marko!!!!!!!!!!!!!!!!!!!!!!

By agnese kohn

Author Alaska Angelini, You made a home run!!!!!!!!!!!!HOO\_HOO!!!!!!!!!!!!!!!!!!!!F.k it loved it!!!!!!!!!!!!!!!!!!!!Oh what a ride!!!!!!!!!!!!Absolutely, mind f..k!!!!!!!!!!!!This is volume 5 from the series Reign (Marko Delacroix) and saying loved it...I suggest right now to go and read the others before this one, to get to know what the story is about cause you do not want to get lost when you read this Reign....Its Pack!!!!!!Action, the turmoil not only for humans but also for the vampire and the war they have...The plot but the twisted mind that author Alaska Angelini will put you through... I had my ups/down with the WTF just happen!!!!!!Battle, loyalty tested, intense and so much more that Reign will take you from page one to the end with holding your breath then when you see the last word you will be able to breath...This story come with the stunning conclusion of the Marko Delacroix series!!!!!!!!!!!!!!Just loved it!!!!!!!!!!!!!!I sure will look forward to read more of her work/book cause she ROCKS!!!!!!!!!!!!!!!!!!!!!!Applause!!!!!!!!!!!!!!!!!!!!!!

Marko, Marko, Marko...

By Jamie Buchanan

Marko, he knew that I'm not a paranormal fan. I had no idea that this series was PNR. But once I started, I couldn't put it down! I both loved and loathed every character in this series, but Marko? I want him to be real!

Alaska did a magnificent job pulling me into this series and now I'm all types of sad that it's over. I miss them all so much.

Please be advised; if you're looking for an Edward Cullen, you won't find him in this series. There are dark elements, themes and triggers that some readers won't be able to handle.

A copy was gifted in exchange for an honest review through Twisted Sisters' Book Reviews and I HIGHLY suggest you read this series, but make sure you start on a long weekend, you won't be able to put it down.
