In this decidedly unhelpful, candid, hilarious “how-to” guide, YouTube personality Miranda Sings offers life lessons and tutorials with her signature sassy attitude.

Over six million social media fans can’t be wrong: Miranda Sings is one of the funniest faces on YouTube. As a bumbling, ironically talentless, self-absorbed personality (a young Gilda Radner, if you will), she offers up a vlog of helpful advice every week on her widely popular YouTube channel. For the first time ever, Miranda is putting her advice to paper in this easy-to-follow guide, illustrated by Miranda herself. In it, you’ll find instructions on everything: how to get a boyfriend (wear all black and carry a fishing net), to dressing for a date (sequins and an orange tutu), to performing magic (“Magic is Lying”), and much, much more! Miranda-isms abound in these self-declared lifesaving pages, and if you don’t like it...well, as Miranda would say...“Haters, back off!”

Absolutely hilarious. Loved it!

By BerrylovingBookworm

I love this book! I love Miranda's videos (and Colleen's too!!♥?) This book is full of hilarious, useless information as you would expect from Miranda. You can really tell how much work Colleen put into it though, she did an amazing job. 5 stars ??????????

HONESTLY. One of the best books I've ever read. It's funny, witty, and full of Miranda. I'm more dedicated to reading this than I am to my books I have to read for summer reading! This book emits 'Miranda' and I'm happy I bought it. It came on the date the book was released, and I'll be going to her book signings :)
