3 beautiful girls were murdered

By true crime reader

This book & the movie will make you cry. Three beautiful little girls were at girl scout camp & some @#\$%^&\* man raped & killed all of them. He broke into their tent & killed them. They were just babies, sleeping in their tent at the girl scout camp. Because the killer was famous and an Indian he was found not guilty but a Indian leader said that if he was guilty he would pay & a year later he died of a heart attack. He was not old.
