New upgraded! The **Stalked: Steamy Motorcycle Club Romance (Black Riders Motorcycle Club Series Book 1) By Roxie Odell** from the very best writer and publisher is now readily available below. This is the book *Stalked: Steamy Motorcycle Club Romance (Black Riders Motorcycle Club Series Book 1) By Roxie Odell* that will make your day reading ends up being finished. When you are searching for the published book *Stalked: Steamy Motorcycle Club Romance (Black Riders Motorcycle Club Series Book 1) By Roxie Odell* of this title in the book establishment, you could not discover it. The problems can be the restricted editions *Stalked: Steamy Motorcycle Club Romance (Black Riders Motorcycle Club Series Book 1) By Roxie Odell* that are given up the book store.

When some people taking a look at you while checking out *Stalked: Steamy Motorcycle Club Romance (Black Riders Motorcycle Club Series Book 1) By Roxie Odell*, you may feel so happy. Yet, instead of other individuals feels you need to instil in on your own that you are reading *Stalked: Steamy Motorcycle Club Romance (Black Riders Motorcycle Club Series Book 1) By Roxie Odell* not due to that factors. Reading this *Stalked: Steamy Motorcycle Club Romance (Black Riders Motorcycle Club Series Book 1) By Roxie Odell* will certainly give you greater than people appreciate. It will certainly guide to know more than individuals looking at you. Already, there are several resources to knowing, reading a book *Stalked: Steamy Motorcycle Club Romance (Black Riders Motorcycle Club Series Book 1) By Roxie Odell* still ends up being the first choice as a wonderful means.

Why must be reading *Stalked: Steamy Motorcycle Club Romance (Black Riders Motorcycle Club Series Book 1) By Roxie Odell* Once more, it will certainly rely on just how you feel and consider it. It is definitely that of the advantage to take when reading this *Stalked: Steamy Motorcycle Club Romance (Black Riders Motorcycle Club Series Book 1) By Roxie Odell*; you can take a lot more lessons directly. Also you have actually not undertaken it in your life; you can obtain the encounter by checking out *Stalked: Steamy Motorcycle Club Romance (Black Riders Motorcycle Club Series Book 1) By Roxie Odell* And now, we will present you with the online book [Stalked: Steamy Motorcycle Club Romance \(Black Riders Motorcycle Club Series Book 1\) By Roxie Odell](#) in this web site.

STALKED: STEAMY MOTORCYCLE CLUB ROMANCE (BLACK RIDERS MOTORCYCLE CLUB SERIES BOOK 1) BY ROXIE ODELL PDF

A Steamy Hot Alpha Biker Romance Series

Mariah Brannigan is as beautiful a woman as she is talented. Maybe that's why she's being stalked. When she and her band play Baltimore bars frequented by the notorious Robinson Street Bikers, biker captain Nelson Primeaux will simply not take no for an answer.

Just when Mariah never wants anything to do with another biker again, a chance encounter with a Good Samaritan and off-the-hook hot biker by the name of Cody Dallas changes all that. He always seems to be at the right place and at the right time, namely in the middle of her heart, and saves her from Nelson's clutches.

However, Mariah learns that Cody's club, the Black Riders, are major rivals of Nelson's very powerful club. When she hears Cody is a player with the ladies and his romantic courtship is just one play of many to rule the streets of Baltimore, she's devastated.

Can the unbelievably good-looking and seemingly tender Cody Dallas prove to Mariah that he's a biker with a true heart?

Black Riders MC Series:

Stalked

Ambush

Hunted

This is a steamy romance series, NOT erotica.

Don't waste time.

By Renee

Awful!!!! I seldom give a two star but this one was extremely bad. First the story is a novella. A new story starts at 53%. There are so many issues... first typos, second inconsistency. One part she talks of damage to her flower bed by the stalker then later says she doesn't want them to find out where she lives by following a cab home. The H keeps doing stupid stuff like hitting a biker, following Cody to the other bikers home to

"protect him". There is no depth to the characters and everything is rushed. The H is told that Cody is using her and a ladies man. When she tries to talk to him about past relationships he gets invasive leading you to believe he is hiding something and most likely using her and the books just ends... right there... no letting you know if he was or wasn't. In my mind this wasn't a HEA. The way it ended makes me think he was using her.

Started Out Good, Until I Realized There was No Plot...

By Andrea Grabowski

I started out really liking this book. I was drawn in right away by the writing and the description and comical first meeting of the two main characters. We're introduced to the hero almost immediately as bad boy biker Cody Dallas of Dark Riders MC comes to Mariah's aid when her car breaks down in a bad neighborhood. Our heroine, lounge singer Mariah, promptly calls the cops on him because she's afraid that Cody may be associated with the leader of the Robinson Street MC, who has been aggressively stalking her. Cody wasn't amused, but he got over it.

I like these two characters. Cody can be a bit moody at times, but he's also sweet and has a good sense of humor. Mariah makes some stupid decisions that leave you rolling your eyes, but I like that she's not a damsel in distress. While she's afraid of her stalker and his gang (and rightfully so), she's not afraid to stand up to them either. Honestly, she's even a bit too bold at times. I mean, when a biker gang is stalking you, destroying your property, sabotaging your car and attacking your friends... It's probably not a bright idea to slap one of them. It's probably an even worse idea to try and spread a lie about one's *ahem* performance issues.

On that note, it's probably not the best idea to continue playing at biker bars either. I understand not wanting to buckle under their intimidation tactics, but when a restraining order can't even help you, maybe it's time to remove yourself from the situation as much as possible. Just a thought.

Anyway, I liked the chemistry between these two and often found myself grinning at their lighthearted banter and sexual innuendos. Though he barely knows her, Cody wastes no time in trying to protect Mariah. She quickly learns that there's a gentleman behind Cody's tough exterior and he discovers that Mariah isn't quite the good girl that he thought she was. Their relationship kept me engaged and I really wanted to see where it would go... Unfortunately, I soon realized that this really wasn't going anywhere.

So, here are my issues...

1) There wasn't much of a plot. Mariah kept getting stalked and sabotaged. Cody kept coming to her rescue (with a response time that puts 911 to shame). Random bikers kept showing up. Fights kept breaking out. Round and round we went. This story started out so well, but I kept waiting for there to be some sort of climax (aside from the ones our hero and heroine kept having) and there was none. To top it off, the book just ended abruptly and I found myself feeling completely unfulfilled.

2) In the description of this book, it reads: "However, Mariah learns that Cody's club, the Black Riders, are major rivals of Nelson's very powerful club. When she hears Cody is a player with the ladies and his romantic courtship is just one play of many to rule the streets of Baltimore, she's devastated." First of all, the name of Cody's club is Dark Riders, not Black Riders. Aside from the fact that I don't know how they managed to screw the name up the description, I'm baffled by this since the series is called Black Riders MC. Maybe the name of the series was changed because of a copyright issue? No clue. Secondly, the conflict mentioned here lasts literally one chapter. That's it. In fact, all of the misunderstandings between Cody and Mariah are put to rest in a snap.

3) The cops show up a few times and they seem so... Robotic? I don't know. The interactions were just awkward. Then one of the cops said to her, "I'll look into the reports, but what I'm getting a sense of is, wherever you go, ma'am, drama isn't too far." This aggravated me. All of her police interactions are the result of the Robinson Street MC, an outlaw biker gang, and she has a restraining order against the leader,

Nelson. One that he keeps ignoring. I'm sure the entire police force knows who this man is and I find it hard to believe that any of these officers would blatantly blame the victim.

4) Cody and his gang went after Nelson. Mariah chased after him because she wanted to "protect him." Sweetheart, he's in a biker gang. He went after this man WITH his gang... What could you alone have possibly done to "protect" him from the man that you can't even protect yourself from? Heroines often make stupid decisions like this in books, but this especially irritated me because initially, Mariah seemed to have more of a head on her shoulders. Even if she was still playing at biker bars while being threatened by bikers... I mean, even if I think it's stupid, I can respect not wanting to let a crazy stalker control your life. I can't respect making an outlandishly stupid move like showing up to a biker brawl in a cab, unarmed, to hide in the bushes.

5) Typos. There were quite a few typos. Some were obvious and others just left me confused. A few times I questioned if maybe the author was from another country because a phrase sounded strange or I couldn't understand what something was supposed to mean. I haven't been able to find any sort of biography on her, but I'm going to assume that she's from the US since this takes place in Baltimore. In this case, I'm going to assume my confusion was the result of poor proof reading. I can forgive a typo here and there, but it's frustrating when it starts to distract me from the story.

I'm somewhat tempted to read the next book simply because I do like the characters, but I'm not so sure that I want to waste my money on another book that may lack any sort of plot. I'm going to add that I received this book for free in exchange for an honest review, but it's kind of pointless being that the book is free anyway...

this book was a very big disappointment.

By P. Meyer

I really dont like writing bad reviews at all but this book was a very big disappointment. When i ordered it i was all excited to read it and add it to my vast collection of books. I was all like wow the cover looks amazing and it sounds like a really good book.

This book is really 2 short stories, filled with so many typos at times its hard to figure out what the author is trying to say, and then the story leaves off with nothing finished that it started and starts a whole new story. The characters majority of the time dont make sense in their decisions, but the sex scenes are okay for the most part but lacking compared to other books in this genre there was no real flow to the story and no depth to the characters. Its not engaging and its hard to keep focused on it just for the sake of finishing it like i did.

I received this product for free in exchange for my honest and unbiased opinion and review.
