Jessi Brand always gets what she wants. And what she wants is part time ranch hand, part time deputy, and full time hunk, Lash Monroe. Unfortunately, her five big (really big) brothers have other ideas. And so does Lash, who had his fill of large families and overbearing “brothers” during his childhood in foster care. He’s a loner and a drifter and he intends to stay that way. Can the youngest Brand on the ranch handle six uncooperative males and land the man of her dreams? Maybe, but when trouble finds Lash and he heads off to face it alone, everything else takes a back seat, because the Brand family sticks together, and like it or not, Lash has become a part of that family. And when the cavalry shows up, it’s Jessi leading the charge.
