Beautifully done!

By gizmo's mom

I received this book as part of the monthly ministry contribution that I make to harvest, Greg Laurie's ministry. I enjoyed it so much I ordered a copy for a Christmas present for my sister. She has a hard time understanding the bible and Greg Laurie breaks it down and makes it simple to understand the stories. I also noticed that this is the same as the volume 1-3 book that he released previously through Esther. this edition has an additional 200 pages which covers some of the new testament. This book is sold out on Harvest's web site so I ordered it here.

As far as the book is concerned, it is very nicely done. It has silver leaf on the edge of the paper, it very thick paper with a decorative watermark on each page and a blue silky ribbon is sewn in to keep track of where you stopped reading, I am bad about dog earring my pages-sorry purists! It has a material type binding that appears to be stitched but I am not sure. It would make a wonderful gift for someone who needs a little help understanding some of the stories and parables or just enjoy some light reading with a purpose.

Highly recommend!
