For a long time alpha werewolf and ranch owner Aiden Mitchell has desired the curvy, vivacious Nikita Blakemore, alpha female of the Blakemore pack. He will have her as his mate and no other. To force her hand, Aiden maneuvers her into hosting a Mating Challenge, the ultimate warrior competition for werewolves, where males fight for the right to mate and breed with a female alpha. Fiercely protective of his future mate, Aiden will do anything to make her his own, even fight to the death. Masquerading as her twin sister, Nia Blakemore knows she is the one Aiden wants in his bed. Nia has dreamed of the handsome cowboy sweeping her into his strong arms and consummating the passion consuming them both, even though he thinks she is Nikita, the true alpha female. Nia must try to keep Aiden from discovering the truth to protect her frailer, gentler twin. But Nia and the real Nikita hide a secret far more deadly than the charade they have pulled off for years, one that can kill Aiden and any healthy male who sets foot upon their land...

Great new read

Great new edition to the Werewolves of Montana..

Aiden has wanted Nikita for his mate for as long as he has known her.. And he sets in motion the mating challenge to win her and prove that he is right for her. He wins the challenge and her hand....Little does he know that her sister Nia has been passing herself off as Nikita for years..

Nia tries to get the wolf pack off her land anyway she can, so the terrible secret she hides can be solved before any more deaths occur.

Love the Werewolves of Montana series.. Can't wait for the next.

The Mating challenge is the 5th book in the werewolves of Montana series By Bonnie Vanak. I have to say I was super excited when I found out I was getting the chance to review this book. I have been waiting for it for what seems like forever! The entire series is a great read with not only the sexy shifters I have grown to love, but a whole new world of Magic and fairytales. I was hooked from the first book on and this one was just as great as the others, if not better.

From the moment Aiden saw the alpha of the Blakemore pack, Nikita, he knew she was the one for him and vowed to stop at nothing to get her, but the Nikita Blakemore that Aiden knows is not truly who she pretends to be and when he finds out the truth it may already be too late. Will Aiden find out the truth in time or will his fate be sealed by an early death because he found out too late?

Disguised as Nikita, Nia the younger twin sister has spent her entire life protecting her sister from the clutches of the Silver Wizard, but that is not the only secret these two hold. A mysterious curse has been put on their land that kills all adult males and unless these two can find the cure Nia's new mate, Aiden will die.

There is so much mystery in this book! I was hooked from the beginning and you will be to. Shifters, mystery, magic, love and devotion, what more can you ask for in one book? I have grown quite fond of Aiden so I was on his side the entire time. I mean who wouldn't want a strong, sexy, confident shifter, right?? As for Nia, I was weary of her at first since I knew how much Aiden wanted her and I couldn't have her go breaking his heart now could I? But alas, she is quite lovable and a truly devoted sister, daughter and lover so I think Bonnie did a great job with both of them and this story. I can't wait to see where the next book takes us... Hopefully Tristan and Nikita!!
