Get this for 2017 prep (otherwise get book of PrepTests 72-81 once LSAC releases it),

By Steve Schwartz (LSAT Blog)

As of January 2017, this is the newest LSAT PrepTest. The LSAT has evolved (like a virus) since the ancient exams from 20+ years ago in the first book of 10, so it's **really** important to get the newest exams. If you're reading this sometime between 2017-2020, you should probably complete this test as a timed test a week or two before Test Day.

This exam is not yet published in a book of 10, so it's pretty expensive....BUT IT'S WORTH IT. A small investment of about 10 bucks can pay off big time for your law school future (and potential scholarship \$\$\$).

Once LSAC publishes this in a book of 10 exams (which they'll probably do after publishing PT81 after the June 2017 LSAT), don't get all these individual exams. That'd be a big waste of money. It'll be a MUCH better deal to get the book of 10 containing 72-81.

Other books of 10 you should probably get (72-80 are only available individually right now):

62-71

52-61

Also, you should know that LSAT exams 66-present are **the only** ones that give you 2 pages for Logic Games. Before 66, each test only gave you one page for each Logic Game and related questions. Now, they give you two. Pretty cool, right?

Happy studying! Feel free to reach out if you need any help with your prep.
