Added sample scripts for practice!

By D. Karpouzian

Short, but it did decide to add sample scripts for practice which I found very helpful as someone new to the industry!

Great ideas for character voices!

By Jaime

Extremely short. More of pamphlet than a book. It's clear this is material that is meant to go along with Peter Baker's Master VO class, but it still has some great information as a quick read. I enjoyed his ideas about cataloging character voices and associating them with a picture in your mind.
