Female preppers do the rescuing!

By Amazon Customer

Nice story about two female friends who are prepping. Usual violence in Young's stories, not gory or gratuitous, just describing the scene.

0 of 0 people found the following review helpful.

good read

By booklover1999

I love Jerry D Young stories!! It has the right balance to light and heavy... as in it's not too fluffy but it's not going to give you nightmares. One thing about the stories is that the person always has a bunch of money and knowledge. Hmm.. I hope if something ever happens then I am with someone like that cause I have neither lol

Neat prepping story from the female perspective

By Don Bergland

This is a short neat prepping story told from the female perspective. Characters are like able. Contains some good information.
